

**OBEA Fred and Lorraine Winger  
Scholarship Award  
2011 Winner  
Jeremy Madison**

Mr. Jeremy Madison, a current undergraduate student in the MAT program at Corban University in Salem, was the recipient of the \$500 Fred and Lorraine Winger Scholarship at the 65th Annual Oregon Business Education Association (OBEA) Conference held in Pendleton, Oregon, at the Red Lion on October 14. Jeremy's student teaching was at Silverton High School under the supervision of Sheri Bartels and Jeri Ann Rufener, two long-time OBEA members and master teachers.

Jeremy's eagerness to accept the many tasks required for effective education and his rapport with students and staff were reasons for the nomination by his supervising teachers. Jeremy stated that he wants to use his expertise and passion as a business owner to help students understand the process of starting their own business. He feels he has a creative mindset that will create a classroom environment that will be both educational and fun. His future plans include attending conferences to learn new strategies for teaching business and becoming active in his professional associations.
